

**STATE OF NEW HAMPSHIRE
RFP 2016 - Turnpike16**

**QUESTIONS AND ANSWERS - followup
REQUEST FOR PROPOSALS –Turnpike Insurance Reserve**

Would you be able to provide any historical data from past events (ex. Sandy, Irene, or other peril events)?

The NH Turnpike system has not been impacted much by storms therefore little data exists. We have cost data on the following:

- Blizzard Juno – January 2015
- Halloween storm – October 2012
- Mother's Day storm – 2005/2006

The Turnpike system was not impacted by other storms including Sandy and Irene.
